Draft Registration Statement on Form F-1 filed on March 8, 2024

General

1. Please revise to update your disclosures throughout the filing and address areas that appear to need updating or that present inconsistencies. Non-exclusive examples of areas where disclosure should be updated are as follows:

You state on pages 17, 69 and 73 that [f]uture resales of the securities issued in connection with the Business Combination may cause the market price of our securities to drop significantly. This statement should be updated given that this prospectus is facilitating those sales.

2. We note the changes you made to your disclosure appearing on the cover page, Summary and Risk Factor sections relating to legal and operational risks associated with operating in China and PRC regulations. It is unclear to us that there have been changes in the regulatory environment in the PRC since the F-4 that was filed on January 11,

2024 warranting revised disclosure to mitigate the challenges you face and related disclosures. The Sample Letters to China-Based Companies sought specific disclosure relating to the risk that the PRC government may intervene in or influence your operations at any time, or may exert control over operations of your business, which could result in a material change in your operations and/or the value of the securities you are registering for sale. We remind you that, pursuant to federal securities rules, the

term control  
(including the terms controlling, controlled by, and  
under common control with ) as  
defined in Securities Act Rule 405 means the possession, direct or  
indirect, of the power  
to direct or cause the direction of the management and policies of a  
person, whether  
through the ownership of voting securities, by contract, or otherwise.

The Sample  
Letters also sought specific disclosures relating to uncertainties  
regarding the enforcement  
of laws and that the rules and regulations in China can change quickly  
with little advance  
notice. We do not believe that your revised disclosure referencing the  
PRC government s  
intent to strengthen its regulatory oversight conveys the same risk.  
Please restore your  
disclosures in these areas to the disclosures as they existed in your  
F-4 registration  
statement as of January 11, 2024.

We remind you that the company and its management are responsible for  
the accuracy  
and adequacy of their disclosures, notwithstanding any review, comments, action  
or absence of  
action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please  
allow adequate  
time for us to review any amendment prior to the requested effective date of  
the registration  
statement.

Please contact Sarah Sidwell at 202-551-4733 or Geoffrey Kruczek at  
202-551-3641 with  
any other questions.
